

Emerging Policymakers Program

Certificate Program in Sustainable Development Within Planetary Constraints

Application for Admission

A program is as good as the quality of its participants. This is why the Emerging Policymakers Program selects a limited number of talented professionals who have demonstrated high potential to succeed in international sustainable development and climate policy roles.

Selection is based on a combination of an individual's policy-making performance, leadership potential, personal characteristics, and motivation to contribute to global climate action and sustainable development. This document contains all the material and information you need to apply to the Emerging Policymakers Program (EPP). Please kindly follow the online application instructions to complete all sections of the application form in the provided spaces.
